

How to Set Up Enriched Transaction Details

CardWise Transaction Enrichment simplifies the process of reviewing your card statements, making your transactions easily recognizable by providing additional information on your transactions such as:

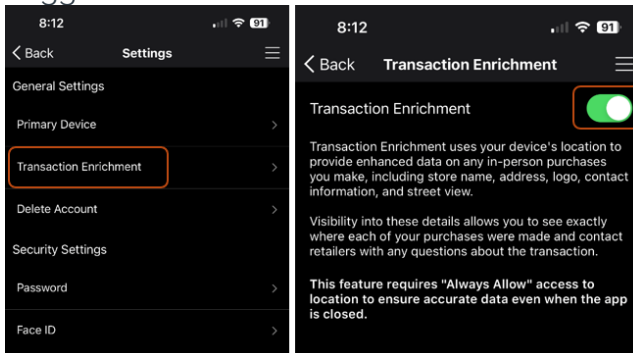

- Merchant logo
- Merchant name
- Merchant location, including full address and map.
- Merchant contact information, including phone number, website, and store hours.

The Transaction Enrichment feature simplifies the process of reviewing card statements and reducing time spent reconciling transactions. Additionally, enabling Transaction Enrichment can support you in the rapid detection of fraudulent activity on your card.

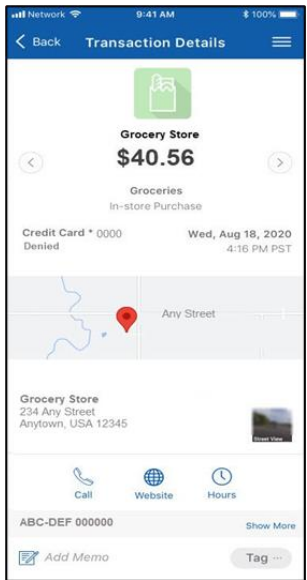

Android & iOS

Note: Transaction Enrichment feature requires Location Services be set to “**Always**” for **CardWise Mobile** app in the device settings.

1. In **CardWise Mobile** app, select **Settings** from the menu and tap **Transaction Enrichment**.
2. Toggle button to turn on **Transaction Enrichment**.

3. You will now be able to view enriched details on transactions.

The CardWise platform supports both Mastercard® and Visa credit cards issued by Collabria Financial Services. The above instructions apply to both networks.
